## Different Perspectives: The American Revolution

*British poet and author Rudyard Kipling published “The American Rebellion” in 1911. Below is the first part of the poem.*

### The American Rebellion

*Before:*

’Twas not while England’s sword unsheathed  
Put half a world to flight,  
Nor while their new-built cities breathed  
Secure behind her might;  
Not while she poured from Pole to Line  
Treasure and ships and men—  
These worshippers at Freedoms shrine  
They did not quit her then!

Not till their foes were driven forth  
By England o’er the main—  
Not till the Frenchman from the North  
Had gone with shattered Spain;  
Not till the clean-swept oceans showed  
No hostile flag unrolled,  
Did they remember that they owed  
To Freedom—and were bold!
